Fiscal Note Version - New

Description

Senate File 2310 limits the amount of licensure fee revenue the Board of Educational Examiners may retain to 90.0% of the total collected annually. The remainder is deposited to the General Fund. The Bill also permits up to 15.0% of total annual fee revenue to carry forward to the following year.

Background

Section 272.10, Code of Iowa, permits the Board to retain all fee revenue, but in previous years, the annual Education Appropriations Bill has included intent language to notwithstanding the statute and limit the amount retained. In FY 2006, the Board is allowed to retain 73.0% of fee revenue, with a 10.0% cap on carry-forward.

Assumptions

It is assumed that the Board of Educational Examiners will fully expend retained fee revenue up to the amount permitted to carry forward each year, and no retained revenue will revert to the General Fund at the end of the fiscal year.

The estimate of fiscal impact is based upon licensure projections prepared by the Board of Educational Examiners in July 2006, in conjunction with the most recent fee increase.

Fiscal Impact

Senate File 2310 will reduce General Fund revenue by \$321,000 each year in FY 2007 and FY 2008.
